Ich liebe das Extreme. Das gibt mir den richtigen Kick. So kann ich mich selbst spüren und meinen Willen dazu bringen, über die eigenen Grenzen hinaus zu gehen. Kompromisse interessieren mich in diesen Momenten nicht. Ich bin stolz auf das was ich bin und darauf wer ich bin – stolz auf meine Ecken und Kanten, auf meine Unabhängigkeit und darauf, meinen eigenen Weg zu gehen. Don't be afraid of extremes.

I just love the extreme. It's the kick - I can't get enough. It lets me feel the real me and concentrate all my willpower to go beyond my breaking point. You can't compromise at all in moments like these. I'm proud of what I am and who I am. Happy with all of my rough edges, satisfied about my self-sufficiency and the fact that I go my own way. Don't be afraid of extremes.

CE QUE JE RECHERCHE EST EN MOI

J'adore l'extrême. Pour moi c'est un vrai coup de fouet. Cela me fait me sentir vrai, me pousse à aller au-delà de mes propres limites. Les compromis ne m'intéressent pas dans ces moments-là. Je suis fier de ce que je suis et de qui je suis - fier de toutes les aspérités de ma personnalité, de mon indépendance et de la voie qui est la mienne. Don't be afraid of extremes.
